

Delivering Lethal Force In Correctional Management Operations “Force Management Protection”

This 4.5-day (40 hours) program is designed for agencies to train and certify departmental I instructors in delivering lethal force during high risk correctional management operations. This course was designed to assist agencies in assessment, management and deployment of deadly force in a Correctional Institution. This course primarily focuses on the final phases of small or large disturbances in a jurisdiction, showing the most effective response when using formations when confronting deadly force threats.

Topics covered in the program include:

- Force Management Gear Selection
- Squad formations and Commands
- Pre-Screening Selection for Personnel
- Movement and Unity Drills for Squads
- How to establish Force Management Squads
- Riot Formation Response
- Contingency Planning and Operations
- Multiple Officer Control Techniques
- Mini Team Response to Deadly Force
- Containment Teams & Shotgun Squads
- Protective Mask Deployment and Selection
- Use of Snipers and SRT Personnel
- Special Impact Munitions Deployment and Selection
- Integrated use of force options
- Use of Force Tactics
- Individual officer responsibilities
