

Handgun Protection Instructor

This 1-day (10 hours) agency level certification program is designed for agencies to update, train and certify departmental Instructor in the various methods and tactics in handgun protection and retention. This course is designed to enhance the instructor's development *the first complete handgun retention system that works regardless of the holster used by the officer, and works with ANY weapon they have on their duty belt, and can be applied using ANY hand they have free, for standing front, side and rear attacks, to include the SAME technique when on the ground.* The techniques and tactics that are presented in this program are field proven, and is teaching only one technique for all possible gun disarming attempts. For successful completion of this class each student will be issued a Handgun Retention Instructor. **Ground tactics are NOT covered in this program!**

Topics covered in the program include:

- Importance of selecting the right holster
- Holster familiarization exercises
- Introduction to the "Grip and Hold," technique
- Securing your firearm
- Awareness methods
- Avoidance tactics
- Standing handgun retention techniques (Front & Rear)
- Ground handgun retention techniques
- Handgun Retention tactics for close quarter encounters
- Handgun Retention Techniques for retaining your firearm OUTSIDE the holster
- Disengagement Tactics
- Integrated use of force options
- Deadly Force options
- Documentation and liability
