

RRB Basic User Course

This one-day (10 hours) Basic User level certification program is designed for agencies to train and certify departmental personnel in a complete use of force continuum program focusing on, handling and documentation of the Rapid Rotation Baton, to include officer survival tactics, weapons transition, use of force issues, medical issues and legal liability specifically designed for law enforcement, and corrections. Upon successful competition you will receive a certification that will allow you to carry and deploy the RRB! Valid for one year upon completion.

Topics covered in the program include:

- Design Purpose of the RRB
- History of Batons in law enforcement and correction
- Effectiveness / safety / liability factors
- Criteria for selection
- Operational guidelines / practical exercises
- Drawing and Deploying the RRB
- Blocking and Striking Techniques with the RRB
- Restraints with the RRB
- Officer survival techniques
- Criminal and civil liabilities
- Sample policy and procedures
- Integrated use of force options
- Deployment methods
- Confrontational Simulations

Dave Young is recognized as one of the nation's leading experts in the use, selection and deployment of non-lethal weapons and has hosted the Police Technology Show for National Geographic. Learn the BEST about the BEST impact weapon in the country!
