

RedMan “101” Instructor

The 2.5 day (24 hours) **RedMan® “101” Instructor Program** was designed for agencies to update departmental Instructors in the care, use and maintenance of the RedMan® Training Gear. This instructor program was designed to enhance the instructor's knowledge in the combination and use of the RedMan® Instructor Suits, RedMan® Student Suits, the Disturbance Resolution Suits (DRS) made by Redman® Training Gear. This instructor program concentrates on using the RedMan® Training Gear in its full design. This allows the student to experience the full integration of the RedMan® Training Gear and Equipment. This will assist instructors on enhancing their own systems, which will improve their officer's skills, enhancing their proficiency.

Learn why RedMan® Training Gear is the number 1# choice of protective gear for any type of training.

Topics covered in the program include:

- Equipment and gear selection
- The purpose of using RedMan Training Gear
- RedMan® XP Instructor and Student Suit Orientation Drills
- Movement, Falling, Blunt trauma Drills
- How to enhance visual and auditory aids for students
- Use of Safety Coaches
- How to protect the student and staff from unnecessary injuries
- Student Evaluation and documentation
- Enhanced configuration equipment
- Verbalization Tactics
- Power development
- How to Safely Use Training Props and other aids
- Weapons transitions
