

# Water Survival Defensive Tactics

## Instructor – Level 2

This 4.55-day (40 hours) agency “Advanced Instructor Trainer” level II certification program is designed for agencies to train, establish policies and certify departmental Trainers in Water Safety Survival and Control & Arrest techniques for law enforcement, and corrections personnel assigned to work around or in a waterborne environment. This will assist the department in establishing basic and in-service standards for training in waterborne tactics for encounters where the officer is able to either standing and or is unable to stay on the surface of the water during a physical encounter. This is a need for any officer who is assigned to a waterborne environment. **Learn from experienced instructors with real world experience in field applications. This is a pre-requisite for Water Survival Defensive Tactics Instructor-Trainer.**

### Topics covered in the program include:

- Firearm control and deployment in a waterborne environment
- Ground and water stabilization tactics
- Establishing standards for training waterborne officers
- Baton drills for waterborne environments
- Designing water proofing levels for individual officers
- Establish firearm training for waterborne officers
- Establish intergraded use of force training for waterborne officers
