

Counter Combatives Training

This 2.5-day (24 hours) agency Defensive Tactics Instructor level certification program is the first of 5 training programs and designed for agencies to update, train and certify officers in Counter Tactics for handling Active Combative's. This course is designed to enhance the instructor's development in the combination and using verbalization techniques with physical alternatives, and adding close quarter grappling tactics. When you wear a firearm it changes everything – the way you stand, handle people and physically control them. This course concentrates on the danger range of 1-3 feet from the threat, how to protect your firearm, face, and other important areas of your body to win against an active fighter. Instruction is based on realistic use and applications of control methods in the use of force situations. For successful completion certification of completion is awarded in Counter Combative's Training. All techniques are compatible with our ground and empty hand control instructor courses. **Learn from experienced instructors with real world experience in field applications.**
