

## Counter Combatives Training – Handling Multiple Threats

This 2.5-day (24 hours) agency Defensive Tactics Instructor level certification program is the first of 6 training programs and designed for agencies to update, train and certify officers in Counter Combative Tactics for handling Multiple Threat attacks.

This course is designed to enhance the instructor's development in the combination and techniques and tactics for confronting 2-3-4 violent attackers.. Whether you wearing a firearm or not when confronted with multiple threats speed, timing and fast reacting is everything – the way you stand, move and handle the first attacker is critical for your survival. This course concentrates on the danger range of multiple threats, various environments, tips on how to protect your firearm, face, and other important areas of your body to win against multiple attackers. Instruction is based on realistic use and applications of counter combative tactics and methods in the use of force situations. For successful completion certification of completion is awarded in Counter Combative's Training for Handling Multiple Threat Encounters. All techniques are compatible with our ground and empty hand control instructor courses. **Learn from experienced instructors with real world experience in field applications.**

### Topics covered in the program include:

- Importance of positioning
- Identifying the leaders and sleepers
- How to safely confront the "Wolf Pack"
- How to control and handle body charges and redirection tactics
- Intergraded force options with hand, elbows, knees and feet
- Tactical Combinations for disengaging or engaging multiple threats
- Identifying the danger areas controlling the distance
- Positioning of advantage for handling the multiple threats
