

Dynamic Ballistic Breaching Instructor

This 1-day (10 hours) program is designed for agencies to train and certify departmental instructors in the use of ballistic breaching techniques and tactics designed for forced entry and discuss breaching tactics and technology for officers in law enforcement or correctional agencies. This course was designed to enhance the agencies in the manufacture's use, and tactical applications of the 12 gauge ballistic breaching rounds and various environments for conducting these forced entries. **This is not an explosive breaching school!**

Topics covered in the program include:

- Selecting a Breaching Team
- Ballistic vs. Mechanical Entry tools
- Gathering Intelligence for Entry
- How to select the right round
- Different angles and penetration tactics
- Doorknobs and Deadbolts
- 12 Gauge breaching Tactics (Close & Extended Range)
- Preparing a breaching Kit
- Conventional and Unconventional Breaching tactics
- Establishing an effective breaching program
- Single and team deployment
- Integrated use of force options
- Establishing qualification & certifications
- Policies and procedures

Duration: 1 Days

Tuition: \$199.00

Special Note: You will have the option of seeing other breaching tools in this class and it is recommended you bring your current breaching tools for this class.

Equipment Required: Assigned department duty gear used for responding to deploying Non-Lethal Weapons to include ballistic shield, holster, pistol, impact weapon, handcuffs with key. Helmet with drop shield, protective equipment, body armor, gas mask and riot shield, 12 gauge shotgun.
