

# Tactical Survival Training

This 1.5-day (16 hour) agency “Basic,” level certification program was developed to upgrade agencies desiring to train and certify officers assigned to high risk assignments “**When their life depends on their performance.**” This program focuses on life threatening situations any tactical officer might find themselves confronted with either in a team or alone. This course lays the foundation for high risk encounters, and shows the need for commonality between standing and ground defense training. **This is a physical demanding class and officers need to be in good physical condition!**

## **Topics covered in the program include:**

- Fit for Duty
- Gear Selection (Helmets, Slings and rigs)
- Understanding body mechanics for limb control techniques
- Weapon transition skills
- Transition between standing, kneeling, and ground positions
- Stunning tactics from the ground
- Weapon control from a ground fighting position
- Controlling the distance and movement
- Impact weapon & firearm deployment from the ground
- Disarming tactics
- Zones of approach and escapes from the ground
- Grip and hold techniques
- Weapon retention in and out of the holster
- Integrated use of force options
- Escapes from chokes, grip and garbs
- Establishing an effective DT program
