“Emergency Services Firearm Survival COURSE”

This 2-days (16 hours) certification program is a series of tactical enhancement seminars designed for the training Emergency Services professional to update, train and provide critical lifesaving information for situations where your intent is to help but their resistance can threaten your life. This course is designed to enhance the professional development in firearm tactics, unorthodox drawing techniques, and shadowing tactics and advanced movement methods for disengaging and engaging a threat who is holding a firearm within 10 feet. Enforcing contact-cover principals, verbalization tactics, weapons disarming, and control tactics. This course will also address weapon awareness for making weapons safe, rescue tactics and immediate action to a gunfight. Instruction is based on realistic use and applications of control methods in the use of force situations. This class will conduct dry fire drills, training projectiles (21st Air Soft) simulations, and live fire exercises.

Topics covered in this program are:

- Importance of laying the verbal foundation
- Verbal tactics
- Body Positioning (Day and Night)
- Zones of approach and escape
- Daytime & Nighttime strategies
- Evasion Tactics for Single/ Multiple Subject Attacks
- Dynamic empty hand defense tactics
- Conducting quick threat assessments
- Defense tactics for Firearms Deployment
- Close Quarter Tactics
- Dynamic Control for long and short gun
- Weapons of Opportunity
