COMMAND STAFF TRAINING FOR CORRECTIONS - ICP

This 2.5-day (24 hours) Command Staff agency level certification program is designed to unite the communication needed between the line officers, first line supervisors, and the command administration for the selection of personnel, equipment, munitions lists, and training needed to respond as a department to these riot environments that occur within a jail, camp, or prison facility. This course is designed to instruct the Command in the proper protocol for selecting of personnel and the importance of establishing department standards for their personnel and squads.

Topics covered in the program include:

- Importance of selecting equipment lists
- Review of personnel
- Liability in establishing pre-screening tests
- Policies and procedure review
- Failure to train court cases
- Review of use of force and briefings
- Contingency plans & logistics
- Managing your command
- Establishing crisis management teams
- Command responsibilities
- Strategies for your facility
- Evaluating your personnel and facility
- Chemical facts and liability
- Making threat assessments for force options
- Training standards
- Documentation & medical issues

Duration: 2.5 Days

Tuition: \$599.00

Equipment Required: Assigned department duty gear used for responding to emergency situations inside your facility to include holster, pistol, impact weapon, handcuffs with key. Helmet with drop shield, protective equipment, body armor, gas mask and riot shield. 12 gauge shotgun and 37/40 MM launchers.
