COUNTER COMBATIVES INSTRUCTOR - ICP

This 4.5-day (40 hours) agency Defensive Tactics Instructor level certification program is the first of 6 training programs and designed for agencies to update, train and certify departmental Instructors in Counter Tactics for handling Active Combative's. This course is designed to enhance the instructor's development in the combination and using verbalization techniques with physical alternatives, and adding close quarter grappling tactics. When you wear a firearm it changes everything – the way you stand, handle people and physically control them. This course concentrates the danger range of 1-3 feet from the threat, how to protect your firearm, face, and other important areas of your body to win against an active fighter. Instruction is based on realistic use and applications of control methods in the use of force situations. For successful completion certification of completion is awarded in Counter Combative's Instructor certificate. All techniques are compatible with our ground and empty hand control instructor courses. **Learn from experienced instructors with real world experience in field applications. Combines single and multiple attackers in one course!**

Topics covered in the program include:

- Importance of laying the verbal foundation
- Intergraded force options with hand, elbows, knees and feet
