DISTRACTION DEVICE INSTRUCTOR – BLENDED - ICP

This BLENDED 1-day (12 hours) program is delivered using 8 hours of on line coursework, consisting of watching a short video, reviewing a few power point slides, answering a series of chapter quizzes, completing a final written examination and then attending a 4 hours of intense series of practical, role playing exercises and instructor development skills for delivering this program into your agency with full online access and support for every officer in your agency. I developed this program for agencies to train and certify departmental instructors in Distraction Devices for officers in assigned to handle, deploy and certify officers in Distraction Devices for their agencies. This course was designed to enhance the agencies in the manufacture's use, and tactical applications of deploying distractions by hand, using command initiators, or launching them out of 12 gauge shotguns. **This training will address every distraction device currently on the market today from ALS Technology, Combined Tactical Systems, Pyrotechnic Inc., deploy by aerial, hand deployment or command initiated.**

Topics covered in the program include:

- History of Distraction Devices
- Types of Explosives
- Terminology of use and identification
- Non-bursting and bursting devices
- 12 gauge Ariel Flash Bangs
- Understanding blast pressure & PSI's & Candela ratings
- Establishing an effective training program
- Single and team deployment
- Case Laws
- Rendering safe and Make procedures
- Deployment strategies
- Establishing qualification courses
- Policies and procedures
