WATER SURVIVAL DEFENSIVE TACTICS LEVEL-3 - ICP

This 9.5-day (80 hours) agency "MASTER Instructor Trainer" level III certification program is designed for agencies to develop and train departmental Master Trainers in Water Safety Survival and Control & Arrest techniques for law enforcement, and corrections personnel assigned to work around or in a waterborne environment. This will assist the department in establishing basic, in-service, and advanced standards for training in waterborne environments and tactics for encounters where the officer is able to either standing and or is unable to stay on the surface of the water during a physical encounter. This is a need for any officer who is assigned to a waterborne unit or training in these environments. **Learn from experienced instructors with real world experience in field applications.**

Topics covered in the program include:

- Combining both WSSI Level 1 & 2 performance tasks
- Working with non-swimmers
- Establishing pre-screening of officers
- How to safely conduct falls into the water
- Working with non-swimmers
- Firearm control and deployment in a waterborne environment
- Establishing standards for training waterborne officers
- Selecting and deploying Baton for waterborne environments
- Designing water proofing levels for individual officers
- Establishing and reviewing policy and procedures

Duration: 4.5 Days – Basic Training

Tuition: \$1,695.00

Special Note: Duty Gear provided and Ballistic Vest Provided by Arma Training

Equipment Required: Appropriate clothing suitable for defensive tactics, instructional clothing and footwear, swimming trunks to be worn under long pants, sock, boots, and shirt. Bring training weapons, change of clothes, towel, sun screen, training impact weapons, groin protection, mouth piece and inert aerosol sprays.
