## FORCE PROTECTION – WEAPONS COMBAT TRAINING - ICP

This 1 day (8 hours) basic certification course and 5 days (40 hours) basic Instructor certification program is designed for Force Protection Teams to train and certify their soldiers to development the soldier's accuracy and target engagement speeds from both SUB-SKILLS, CORE SKILLS AND PERFORMANCE BASED SKILLS for static and dynamic situations while using 3 different weapons. Students will be exposed to marksmanship skill development drills, movement drills, positions of disadvantage drills, limb restrictive drills, and speed development drills. The training will force students to "push their limits" of their shooting skills they will experience in combat environments. Our belief is the soldier should be able to perform these skills under extreme duress!

### Topics covered in the program include:
