FORCE PROTECTION – RIOT SHIELD TACTICS - MCP

This 1 day (8 hours) basic certification course and 3 days (24 hours) basic Instructor certification program is designed for Force Protection Teams to train and certify their soldier's in effective Riot Shield Tactics for agencies deploying Riot Shield made of hard plastic or other polycarbonate materials for protecting the officers on line, defending their positions showing offensive and defensive tactics and intervention options for any officers using these types of shields. This course primarily focuses on the selection, importance, blocking, deflecting, and redirecting, thrusting techniques, striking and trapping tactics for deploying riots in small or large scale disturbances. We will address the use of mini teams, different non-lethal weapon options and how these shields work in conjunction with other on line tactics and strategies. This program will cover a complete use, justification and explanation of use for any riot shield used by the unit, and protection of departments from costly litigation issues.

Topics covered in the program include:

- Selection of Riot Shields
- Importance of using Riot Shields
- Testing and evaluating Riot Shields
- Retention Tactics
- Blocking Techniques with Riot Shields
- Deflection and Re-Direction Tactics • Forward Thrusting Methods
- Angle Strikes with Riot Shields
- On Line Defense Tactics
- Intergraded use of force options
- Instructor Development Techniques
